In all other instances, tariff rules which are inconsistent with any provision of the applicable Convention will, to that extent, be inapplicable to international transportation (see Rule 121, Liability - international transportation).

(2) For domestic transportation, under the provisions of the APPR, carriers will be subject to the same rules and liability limits as found in the Montreal Convention for lost, delayed and damaged baggage (see Rule 120, Liability - domestic transportation).

(3) Carrier liability under the APPR:

   (a) The carrier operating a flight is liable to passengers with respect to the obligations set out in sections 7 to 22 and 24 of the APPR, or, if they are more favourable to those passengers, the obligations on the same matter that are set out in the applicable tariff.

   (b) However, if one carrier carries passengers on behalf of another carrier under a commercial agreement, the carriers are jointly and severally, or solidarily, liable to those passengers with respect to the obligations set out in sections 7, 22 and 24 of the APPR, or, if they are more favourable to those passengers, the obligations on the same matter that are set out in the applicable tariff.

(C) Overriding law/severability

(1) If any provision contained or referred to in the ticket or this tariff is found to be contrary to an applicable law, government regulation, order or requirement, which cannot be waived by agreement of the parties, such provision, to the extent that it is invalid, shall be severed from the ticket or tariff and the remaining provisions shall continue to be in full force and effect.
(D) **Gratuitous carriage**

Except for the provisions of the Convention, the carrier reserves the right to exclude the application of all or any part of this tariff with respect to gratuitous carriage as stated in this tariff.

(E) **Passenger recourse**

1. Any compensation offered to passengers is found in this tariff and is subject to applicable government regulations.

2. In the case of dispute with Harbour Air, passengers should, as the first recourse, try to resolve any problem by dealing directly with the carrier. If the passenger has attempted to resolve a complaint with the carrier and is still not satisfied, the passenger may take the matter to either the Canadian Transportation Agency or the appropriate court, as the passenger prefers.

(F) **Modification and waiver**

1. No agent, servant or representative of the carrier has the authority to alter, modify, or waive any provisions of this tariff.

(G) **Self identification – large or small carrier**

**APPR**

1. For the purposes of establishing obligations toward passengers under the APPR, Harbour Air declares that it is a Small Carrier APPR.

**Accessibility for persons with disabilities**

2. For the purposes of establishing obligations toward passengers with disabilities under the ATPDR or otherwise, Harbour Air declares that it is a Small Carrier Non-ATPDR operating aircraft with 29 or less passenger seats.

Part II – Before Departure

Rule 10: Application of Fares and Charges

(A) General

(1) Applicable fares are those published by or on behalf of the carrier or, if not published, constructed in accordance with the carrier’s tariff.

(2) Fares and charges will apply only to air transportation between the points named on the ticket. Ground transfer services, unless otherwise specified in Rule 85, Ground transfer services, will be arranged by the passenger and at their own expense and are not subject to the terms of this tariff.

(B) Fares in Effect

(1) Subject to government requirements and this tariff:

(a) Applicable to transportation which originates in Canada or which originates in the United States for travel between Canada and the United States:

The applicable fare is the fare in effect on the date which the ticket is issued.

No increase in fares and charges will be collected or more restrictive conditions of carriage (including those related to baggage) applied in the event that an increase in fares and charges occurs or more restrictive conditions are imposed between the date of ticket issuance and the date of travel, provided:

(i) The ticket is issued with confirmed reservations from a point of origin in Canada or the United States at fares and charges applicable on the date of ticket issuance for the date of commencement of travel; and,

(ii) The confirmed ticketed reservations are not changed at the passenger’s request. Should the passenger request a change to the ticketed reservations then the passenger will be obliged to pay the difference in the fares or be subject to the more restrictive conditions imposed as a result of the change; and

(iii) Sale occurs and the ticket is issued in Canada or the United States.

If, after a ticket has been issued, a decrease in fares and charges applicable to the transportation covered by the ticket becomes effective, no refund in whole or in part of the original fare will be permitted unless otherwise specified in the applicable fare rule associated with the fare.
(b) **Applicable to all other transportation not outlined in 1.(a) above:**

The applicable fare is the fare in effect on the date of commencement of the carriage as indicated for the first flight segment of a ticket.

If, after a ticket has been issued and before any portion of the ticket has been used, an increase or decrease in the fares or charges applicable to the transportation covered by the tickets becomes effective, the full amount of such increase or decrease will be collected from, or refunded to, the passenger as the case may be.

When the amount collected is not the applicable fare, the difference shall be paid by the passenger or, as the case may be, refunded by the carrier, in accordance with this tariff.

(C) **Routing**

(1) Unless otherwise provided in the carrier’s tariff, fares apply only to their associated routing. If there is more than one routing associated with a fare, the passenger, prior to their ticket being issued, may specify the routing they prefer. If no routing is specified, the carrier may determine the routing. *(See Rule 50, Routings)*

(2) Where a fare is purchased from point of origin to the point where return travel commences, and that fare is less than a fare to an intermediate point enroute, the fare charged must be increased to at least the minimum fare applicable to any higher cost intermediate points.

**Exception:** For travel between Canada and the U.S.A., the fare published via a desired routing will apply in spite of the fact that it is higher or lower than the combination of intermediate fares via such routing.

(D) **Taxes and Charges**

(1) Any tax or charge imposed by government or other authority, or by the operator of an airport, in respect of a passenger or the use by a passenger of any services or facilities will be in addition to the published fares and charges and will be payable by the passenger, except as otherwise provided in the carrier’s tariff. *(See Rule 15, Taxes)*
(E) Currency of Fares

(1) All fares and charges are stated in Canadian dollars for travel commencing in Canada.

(2) All fares and charges are stated in Canadian dollars for travel commencing in the United States.
Rule 15: Taxes

(A) General

(1) Taxes imposed by governments are payable by the passenger and are in addition to the published or constructed fare.

(2) At the time of the ticket purchase, the passenger will be advised by the carrier of all the taxes appearing on the ticket.

(3) Taxes will be shown separately on the ticket.

(4) The conditions under which taxes are imposed, collected or refunded are established by the taxing authority (domestic or foreign) and in all cases will be respected. As a result, the carrier will either collect new or higher amounts or refund all or a portion of the tax paid based on the conditions imposed by the taxing authority.

Rule 20: Methods of Payment

(A) General

The following is a list of payment options accepted by the carrier for the payment of tickets and services offered by the carrier:

(1) Cash in currencies acceptable to the carrier

(2) Credit card

(3) Bank debit card, where facilities permit. Vouchers

(4) Redeemable travel points or travel miles.

Rule 25: Currency of Payment

(A) General

(1) Currency provisions are subject to government regulations and applicable foreign exchange regulations.
(2) When travel commences in Canada, payment for tickets will be in Canadian dollars at the Canadian dollar fare, or its equivalent in other currencies converted to Canadian dollars at the Bankers’ Buying Rate of Exchange.

(3) When travel commences in the United States, payment for tickets will be in Canadian dollars at the Canadian dollar fare, or its equivalent in other currencies converted to Canadian dollars at the Bankers’ Buying Rate of Exchange.

**Rule 30: Class of Service**

(1) There is no differentiation of classes of service. All seats are one class. Limited “Select Seats” are available for purchase.

**Rule 40: Reservations**

(A) General

(1) A reservation for space on a specific flight is valid when the availability and allocation of the space is entered into the carrier’s reservation system, a confirmation number/code is obtained from the carrier which authenticates the reservation, the passenger has paid the appropriate fare, and a ticket has been issued for that space.

(2) The carrier will only issue a ticket against a valid reservation. Subject to payment or other satisfactory arrangement and passenger compliance with the check-in time limits set out in paragraph (E) below, a ticket will be issued to the passenger by the carrier or agent of the carrier indicating that the passenger is holding confirmed space for the flight(s) shown on the ticket. The ticket will only apply between the points named on the ticket and the flight coupons that are presented.

(3) On any specific flight, the carrier may limit the number of passengers carried at any specific fare. All fares will not necessarily be available on all flights. The number of seats which the carrier shall make available on a specific flight will be determined by the carrier’s best judgment as to the anticipated total number of passengers on each flight.

(4) A passenger who is holding an unused open-date ticket or a portion of that ticket or is in possession of another electronic document issued to the passenger by the carrier which entitles the passenger to onward travel, or who wishes to change their reservation for another date, will not be entitled to any preferential right to secure a new reservation.

(5) The carrier will not accept a reservation for a child under 5 years of age who will be travelling alone, irrespective of whether the child's parent or guardian wishes to use the carrier's unaccompanied minors (UM) service for their child to travel
alone. (see Rule 60, Acceptance of children and Rule 65, Unaccompanied minors)

(B) Cancellation of Reservations

(1) The carrier may cancel reservations of any passenger:

(a) If circumstances require due to situations within a carrier's control as defined in Rule 1, Definitions and applied in Rule 91, Delays or cancellation – within the carrier's control and within the carrier's control but required for safety purposes or Rule 96, Denial of boarding – within the carrier's control and within the carrier's control but required for safety purposes;

(b) If circumstances require due to situations outside a carrier's control as defined in Rule 1, Definitions and applied in Rule 90, Delays or cancellation- outside the carrier's control or Rule 95, Denial of boarding – outside the carrier's control;

(c) If circumstances require due to any situation identified in and applied in Rule 105, Refusal to transport; or,

(d) When the passenger has failed to meet check-in or boarding gate requirements set out in paragraph (E) below.

(2) If the carrier cancels a passenger's reservation due to (B)(1)(a) (above), the passenger may be eligible to take advantage of the provisions found in Rule 91, Delays or cancellation – within the carrier's control and within the carrier's control but required for safety purposes or Rule 96, Denial of boarding – within the carrier's control and within the carrier's control but required for safety purposes.

(3) If the carrier cancels a passenger's reservation due to (B)(1)(b) (above), the passenger may be eligible to take advantage of the provisions found in Rule 90, delays or cancellation – outside the carrier's control or Rule 95 Denial of boarding – outside the carrier's control.

(4) If the carrier cancels a passenger's reservation due to (B)(1)(c) (above), the passengers will be treated in accordance with the provisions of Rule 105, Refusal to transport.
(C) Passenger’s Responsibility

(1) The passenger must arrive at the airport with sufficient time to complete check-in, government formalities, security clearance and the departure process while meeting the time limits detailed in (E) below. Flights will not be delayed for passengers who have not completed any of these pre-boarding requirements.

(2) The passenger should provide the carrier with their preferred means of communication from among means offered by the carrier (for example, email address and/or telephone numbers) when the carrier solicits point of contact information from the passenger in case the carrier must communicate with the passenger prior to their departure or at any point during the passenger’s itinerary. The carrier has an obligation to communicate information to its passengers as per Rule 97, Communication of information – cancellation, delay, tarmac delay, or denial of boarding.

(D) Failure to Occupy Seat

(1) If the passenger does not occupy space which has been reserved by/for them and the carrier is not notified of the cancellation of such reservation up to and until the scheduled departure of that particular flight, the carrier will cancel all continuing or return reservations held by the passenger and will not be liable for doing so other than to refund the passenger’s ticket in accordance with the applicable fare rule and Rule 125(C), Voluntary Refunds.
(E) Check-in Time Limits

*Recommended check-in time: To ensure that the passenger has plenty of time to check in, drop off checked baggage and pass through security, the above table sets out how much in advance of the flight’s departure time the passenger should check in. E.g. if the passenger’s flight from Seattle leaves at 4:00pm, the carrier recommends that the passenger check in at 3:00pm (60 minutes before the flight).

**Check-in and baggage drop-off deadline: The passenger must have checked in, obtained their boarding pass and checked all baggage at the baggage drop-off counter before the check-in deadline for their flight. E.g. if the passenger’s flight to a U.S. city leaves at 7:00am, the passenger is required to have checked in and checked all baggage with carrier by 6:15am. (45 minutes before their flight).

***Boarding gate deadline: The passenger must be available for boarding at the boarding gate by the boarding gate deadline, e.g. if the passenger’s flight from Seattle to Vancouver leaves at 11:00am, the passenger must be at the boarding gate no later than 10:40am. (i.e., 20 minutes before their flight).

If the passenger fails to meet either the check-in/baggage drop off deadline or the boarding gate deadline specified in the above chart, the carrier may reassign any pre-reserved seat and/or cancel the reservation of the passenger and the carrier may not be able to transport the passenger's baggage.

Note: It is recommended that the passenger provide the carrier with a point of contact (e-mail address and/or telephone numbers) in case the carrier must communicate with the passenger prior to his/her departure or at any point during the passenger’s itinerary. A carrier has an obligation to make a reasonable effort to inform its passengers of any delays or schedule changes. (See Rule 90(B)4.)
Rule 41: Seat assignment for passengers including the seating of children under the age of 14 years

(c) A person with a disability who requires a specific seat to meet a disability-related need will not be charged a seat selection fee.

(C) Assignment of seats to accompanied children under the age of 14 years

(1) In order to facilitate the assignment of a seat to a child who is under the age of 14 years that is in close proximity to an accompanying person (parent, guardian or tutor) in accordance with part (D) (below), Harbour Air Ltd. will, at no additional charge:

(a) advise passengers before check-in that Harbour Air Ltd. will facilitate seat assignment of children in close proximity to an accompanying person at no additional charge at the time of check-in or the pilot will assign a seat at boarding; and

(b) if it is not possible to assign seats at the time of check-in the pilot will ask volunteers on-board the aircraft to change seats before take-off.

(D) Proximity to accompanying person's seat

(1) Harbour Air Ltd. will facilitate, pursuant to the steps outlined in (C) (above), the assignment of a seat to a child who is under the age of 14 years by offering, at no additional charge:

(b) in the case of a child who is 5 to 11 years of age, a seat that is in the same row as their accompanying person’s seat, and that is separated from that accompanying person’s seat by no more than one seat; and
(c) in the case of a child who is 12 or 13 years of age, a seat that is in a row that is separated from the row of their accompanying person’s seat by no more than one row.
Rule 45: Stopovers

(A) General

(1) Stopovers will be permitted under the following conditions:

(a) Stopovers must be arranged with the carrier in advance and specified on the ticket.

(b) Specific fare rules may not permit stopovers or limit the number of stopovers allowed or there may be an additional charge for stopovers based on the fare purchased by the passenger. Refer to the rule applicable to the fare in question for further information.

(c) If a portion of a journey is travelled by surface transportation, a stopover will be deemed to have taken place for such transportation.

(d) For travel between Canada and the U.S.A: A deliberate interruption of a journey for more than 4 hours will constitute a stopover.
Rule 50: Routings

(A) Application

1. A routing is applicable only to the fares which are specifically associated with it.

2. A routing may be travelled via any or all of the cities named in the routing diagram, unless otherwise restricted.

3. All or part of the applicable routing may result in non-stop travel.

4. An intermediate point(s) specified along the routing may be omitted.

5. All routings are applicable in either direction, unless otherwise restricted.

6. For those routings permitting choice of carrier for carriage between the same points, only one of those carriers may be used.

7. Where no carrier is indicated between two points, travel is limited to Harbour Air Ltd.

8. If more than one routing is applicable via the same fare, the passenger, prior to the issuance of the ticket, may specify the routing. If no routing is specified by the passenger, the carrier will determine the routing.
Rule 54: Interline Baggage Acceptance

Definitions

"Airline Designator Code"

an identification code comprised of two-characters which is used for commercial and traffic purposes such as reservations, schedules, timetables, ticketing, tariffs and airport display systems. Airline designators are assigned by IATA. When this code appears on a ticket, it reflects the carrier that is marketing the flight, which might be different from the carrier operating the flight.

"Baggage Rules"

the conditions associated with the acceptance of baggage, services incidental to the transportation of baggage, allowances and all related charges. For example, baggage rules may address the following topics:

- The maximum weight and dimensions of passenger bags, if applicable, both checked and unchecked;
- The number of checked and unchecked passenger bags that can be transported and the applicable charges;
- Excess and oversized baggage charges;
- Charges related to check-in, collection and delivery of checked baggage;
- Acceptance and charges related to special items, e.g. surf boards, pets, bicycles, etc;
- Baggage provisions related to prohibited or unacceptable items, including embargoes;
- Terms or conditions that would alter or impact the baggage allowances and charges applicable to passengers (e.g. frequent flyer status, early check-in, pre-purchasing baggage allowances with a particular credit card); and,
- Other rules governing treatment of baggage at stopover points, including passengers subject to special baggage allowances or charges, etc.

"Down Line Carrier"

any carrier, other than the selecting carrier, who is identified as providing interline transportation to the passenger by virtue of the passenger’s ticket.
"Interline agreement"

an agreement between two or more carriers to co-ordinate the transportation of passengers and their baggage from the flight of one air carrier to the flight of another air carrier (through to the next point of stopover).

"Interline itinerary"

all flights reflected on a single ticket involving multiple air carriers. Only travel on a single ticket is subject to the Agency’s approach provided the origin or the ultimate ticketed destination is a point in Canada.

"Interline travel"

travel involving multiple air carriers listed on a single ticket that is purchased via a single transaction.

"Marketing Carrier"

the carrier that sells flights under its code.

"Most Significant Carrier (MSC)"

is determined by a methodology, established by IATA (Resolution 302), which establishes, for each portion of a passenger’s itinerary where baggage is checked through to a new stopover point, which carrier will be performing the most significant part of the service. For travelers under the Resolution 302 system, the baggage rules of the MSC will apply. For complex itineraries involving multiple checked baggage points, there may be more than one MSC, resulting in the application of differing baggage rules through an itinerary.

"Most Significant Carrier (MSC) – IATA Resolution 302 as conditioned by the Agency"

in this instance, the MSC is determined by applying IATA Resolution 302 methodology as conditioned by the Agency. The Agency’s reservation has stipulated that only a single set of baggage rules may apply to any given interline itinerary. The aim of the Agency’s reservation is to allow the selecting carrier to use the MSC methodology to determine which carrier's baggage rules apply to an international interline itinerary to or from Canada, while reinforcing the role of tariffs in the determination of which carrier's rules apply.

"Operating Carrier"

the carrier that operates the actual flight.

"Participating Carrier(s)"

includes both the selecting carrier and down line carriers who have been identified as providing interline transportation to the passenger by virtue of the passenger’s ticket.
"Selected Carrier"

the carrier whose baggage rules apply to the entire interline itinerary.

"Selecting Carrier"

the carrier whose designator code is identified on the first flight segment of the passenger’s ticket at the beginning of an interline itinerary issued on a single ticket whose origin or ultimate destination is in Canada.

"Single ticket"

a document that permits travel from origin to destination. It may include interline/code-share and intra-line segments. It may also include end-to-end combinations (i.e., stand alone fares that can be bought separately but combined together to form one price).

"Summary page at the end of an online purchase"

a page on a carrier’s Web site which summarizes the details of a ticket purchase transaction just after the passenger has agreed to purchase the ticket from the carrier and has provided a form of payment.

"Ultimate ticketed destination"

In situations where a passenger’s origin is a non-Canadian point and the itinerary includes at least one stop in Canada, as well as at least one stop outside of Canada. If the stop in Canada is the farthest checked point and the stop is more than 24 hours, the Agency would consider the ultimate ticketed destination to be Canada.

(A) Applicability

(1) This rule is applicable to all interline itineraries issued on a single ticket whose origin or ultimate ticketed destination is in Canada.

(2) It establishes how the carrier will determine which carrier’s baggage rules apply to any passenger’s entire interline itinerary.

(B) General

(1) For the purposes of interline baggage acceptance:

   (a) the carrier whose designator code is identified on the first segment of the passenger’s interline ticket will be known as the selecting carrier.

   (b) any carrier who is identified as providing interline transportation to the passenger by virtue of the passenger’s ticket will be known as a participating carrier.
(C) Baggage Rule Determination by Selecting Carrier

Checked Baggage

(1) The selecting carrier will:

a) Select and apply its own baggage rules as set out in its tariff to the entire interline itinerary.

OR

b) Select the Most Significant Carrier, as determined by IATA Resolution 302 and conditioned by the Canadian Transportation Agency, in order for that carrier’s baggage rules, as established in its tariff, to apply to the entire interline itinerary.

(2) The carrier identified by means of a) or b) will be known as the selected carrier.

Carry-On Baggage

(3) Each operating carrier’s carry-on baggage allowances will apply to each flight segment in an interline itinerary. Notwithstanding, the carry-on baggage charges that will apply to the entire interline itinerary will be those of the selected carrier.

(D) Baggage Rule Application by Participating Carrier

(1) Where the carrier is not the selected carrier on an interline itinerary but is a participating carrier that is providing transportation to the passenger based on the ticket issued, the carrier will apply as its own the baggage rules of the selected carrier throughout the interline itinerary.

(E) Disclosure of Baggage Rules

Summary Page at the end of an Online Purchase and E-Ticket Disclosure

(1) For baggage rules provisions related to a passenger’s 1st and 2nd checked bag and the passenger’s carry-on baggage (i.e., the passenger’s “standard” baggage allowance), when the carrier sells and issues a ticket for an interline itinerary, it will disclose to the passenger on any summary page at the end of an online purchase and on the passenger’s itinerary/receipt and e-ticket at the time of ticketing the baggage information relevant to the passenger itinerary as set out in paragraph 2. below. The disclosed information will reflect the baggage rules of the selected carrier.

(2) The carrier will disclose the following information:
a) name of the carrier whose baggage rules apply;
b) passenger’s free baggage allowance and/or applicable fees;
c) size and weight limits of the bags, if applicable;
d) terms or conditions that would alter or impact a passenger’s standard baggage allowances and charges (e.g. frequent flyer status, early check-in, pre-purchasing baggage allowances with a particular credit card);
e) existence of any embargoes that may be applicable to the passenger’s itinerary; and,
f) application of baggage allowances and charges (i.e., whether they are applied once per direction or if they are applicable at each stopover point).

(3) The carrier will provide this information in text format on the passenger’s e-ticket confirmation. Any fee information provided for carry-on bags and the first and second checked bag will be expressed as specific charges (i.e., not a range).

Web Site Disclosure

(4) The carrier will disclose on its Web site, in a convenient and prominent location, a complete and comprehensive summary of all of the carrier’s own baggage rules, including information concerning:

a) The maximum weight and dimensions of passenger bags, if applicable, both checked and unchecked;
b) The number of checked and unchecked passenger bags that can be transported and the applicable charges;
c) Excess and oversized baggage charges;
d) Charges related to check in, collection and delivery of checked baggage;
e) Acceptance and charges related to special items, e.g. surf boards, pets, bicycles, etc.;
f) Baggage provisions related to prohibited or unacceptable items, including embargoes;
g) Terms or conditions that would alter or impact the baggage allowances and charges applicable to passengers (e.g. frequent flyer status, early check in, pre-purchasing baggage allowances with a particular credit card); and,
h) Other rules governing treatment of baggage at stopover points, including passengers subject to special baggage allowances or charges, etc.
Rule 55: Baggage Acceptance

(A) Applicability

(1) This Rule only applies to flights operated by Harbour Air ("the carrier") for single carrier (i.e. online) transportation of baggage and interline transportation of baggage where the carrier is selected to apply its own baggage rules to an entire interline itinerary.

(B) General Conditions of Acceptance of Checked and Unchecked Baggage

The carrier will accept for transportation as baggage, any good that is necessary or appropriate for the wear, use, comfort, or convenience of the passenger for the purpose of the trip, subject to the following:

(1) Checked Baggage

(a) Once the carrier takes possession of the passenger's checked baggage, the carrier will issue a baggage identification tag for each piece of checked baggage. A portion of this tag will be provided to the passenger and each bag will be affixed with the corresponding remaining portion of the tag.

(b) Subject to the provisions of this tariff related to mobility aids and musical instruments, checked baggage will be carried on the same aircraft as the passenger unless the baggage is delayed or the carrier decides that it is impractical to carry the baggage on the same aircraft.

Note: This provision does not apply to aids for persons with disabilities.

See Rule 70(G)

Note: For additional provisions related to the transportation of musical instruments, refer to Rule 56(E)(2), Acceptance of Musical Instruments as Baggage.

(2) Unchecked Baggage (Carry-on baggage)

(a) Unchecked baggage must be within the carrier’s size and weight limits to be taken onboard the aircraft.

(b) Unchecked baggage must fit under the seat located in front of the passenger or in the enclosed storage compartment in the passenger cabin of the aircraft, as allowed by the appropriate aircraft type.
Note: This provision does not apply to aids for persons with disabilities.

*See Rule 70(G)*

(c) Objects which are not suitable for carriage as checked baggage (e.g. delicate musical instruments) will only be accepted for transportation in the passenger cabin of the aircraft if advance notice is given to the carrier and the carrier agrees to carry the object. Passengers should contact the carrier or review its Web site for more information about which objects are not suitable for carriage as checked baggage and will only be accepted for transportation in the passenger cabin of the aircraft upon prior agreement with the carrier.

**Note:** This does not apply to the carriage of musical instruments (See Rule 56 (E)(3), Acceptance of musical instruments as baggage)

(C) **Baggage Allowance**

(1) The passenger is entitled to carry free of charge checked and unchecked baggage as specified to a maximum weight based on fare types and routes.

(2) If a passenger exceeds the maximum weight allowed or the maximum dimensions permitted for each checked or carried on bag, the passenger will be subject to the excess baggage charges set out in the chart in paragraph (E) Excessive Baggage.

**Note:** This provision does not apply to aids for persons with disabilities.

*(See Rule 70(G) and)*

(3) The passenger’s name and point of contact must appear on the baggage. It is recommended that the name and point of contact also be included inside the baggage.

(D) **Collection and Delivery of Baggage**

(1) The passenger has the right to retrieve his or her baggage without delay.

(2) Only the passenger who was given a baggage identification tag when the carrier took possession of the baggage is entitled to accept delivery of the baggage.

(3) If the passenger claiming the checked baggage is unable to produce his/her portion of the baggage identification tag and identify the baggage by means of its baggage identification tag, the carrier must receive satisfactory proof that the baggage belongs to the passenger in question before delivering the baggage to the passenger.
(4) Acceptance of the baggage without complaint, within the time limits stipulated in Rule 120(C), Liability – domestic transportation or Rule 121(C), Liability – international transportation, by the passenger in possession of the baggage identification tag is evidence that the carrier delivered the baggage in good condition and in accordance with this tariff.

(E) Excess Baggage

(1) Baggage in excess of the free baggage allowance will be accepted, subject to the aircraft’s capacity, by the carrier upon payment of the applicable charge. The charge for the excess baggage is payable prior to departure at the point of check-in.

Note: This provision does not apply to aids for persons with disabilities. (See Rule 70(G))

(6) If the arrival of the passenger’s flight at the destination that is indicated on their original ticket is after the time it was expected to arrive when the compensation was paid or confirmed in writing and the amount that was paid or confirmed no longer reflects the amount due in accordance with (2), the carrier will adjust the amount of the compensation.

**Compensation for inconvenience**

(7) If the carrier is required by (2) above to provide compensation for a denial of boarding to a passenger, the carrier will offer it in form of money (i.e. cash, cheque, or bank transfer). However, the compensation may be offered in another form (e.g. vouchers) if:

(a) compensation in the other form has a greater monetary value than the minimum monetary value of the compensation that is required under the APPR.

(b) the passenger has been informed in writing of the monetary value of the other form of compensation;

(c) the other form compensation does not expire; and

Rule 105: Refusal to Transport

Definitions

(1) For the purposes of Rule 105:

“Force majeure” means any unforeseeable circumstances beyond the carrier’s control, the consequences of which could not have been avoided even if all due care had been exercised including, but without limitation, meteorological and geological conditions, acts of God, pandemics, strikes, riots, civil commotions, embargoes, wars, hostilities, disturbances, unsettled international conditions, shortage of fuel or facilities, or labour disputes, either actual, threatened or reported.

(A) Applicability

(1) A refusal to transport a passenger only occurs in situations when the carrier operates a flight on which the passenger had a confirmed reservation but that specific passenger is not permitted to continue their journey on that flight due to any reasons specified in the paragraphs below. Refusal to transport can occur at the start of any journey or while the passenger is en route to their destination.

(2) Flight delay, flight cancellation and denial of boarding do not constitute a situation of refusal to transport.

(B) Refusal to transport – removal of passenger

(1) The carrier will refuse to transport, or will remove any passenger at any point, for any of the following reasons:

(a) Government requests and regulations and force majeure

Whenever it is necessary or advisable to

(i) comply with any government regulation;

(iii) address force majeure.

(b) Search of passenger and property
When the passenger refuses to permit a search of their person or property for explosives or for concealed, prohibited, deadly or dangerous weapon(s) or article(s).

(c) **Proof of identity/age**

When the passenger refuses a request to produce government-issued identification to demonstrate proof of identity.

(i) **Applicable only to travel within Canada:**

   **Note:** The carrier is obliged to screen each passenger by looking at the passenger, and in particular the passenger’s entire face, to determine if they appear to be 18 years of age or older.

   The carrier is also required to screen each passenger who appears to be 18 years of age or older by comparing the passenger, and in particular the passenger’s entire face, against one piece of government-issued photo identification that shows the passenger’s name, date of birth and gender; or two pieces (without photo) of government-issued identification at least one of which shows the passenger’s name, date of birth and gender.

(ii) **Applicable only to travel from Canada:**

   **Note:** The carrier is required to screen each passenger by looking at the passenger, and in particular the passenger’s entire face, to determine if they appear to be 18 years of age or older.

   (A) the passenger is accompanied by a support person who will be responsible for assisting with the passenger’s needs en route such as assistance with eating, using the washroom facilities or administering medication which are beyond the range of services that are normally offered by the carrier; and,

   (B) the passenger complies with requirements of Rule 69(B), Acceptance for carriage; Rule 70(B), Acceptance for carriage; or Rule 71(B), Acceptance for carriage.

**Exception:** The carrier will accept the determination made by or on behalf of a person with a disability as to self-reliance, except where accepting the person could jeopardize security, public health or public safety as per Rule 69(B), Acceptance for carriage; Rule 70(B), Acceptance for carriage; or Rule 71(B), Acceptance for carriage.

**Note:** If the passenger is accompanied by a support person and the passenger is refused transport, then the support person will also be refused transport and the two will be removed from the aircraft together.

(ii) When the passenger has a contagious disease.

(iii) When the passenger has an offensive odour.

**Medical clearance**
(iv) When the carrier determines, in good faith and using its reasonable discretion, that a passenger’s medical or physical condition involves an unusual hazard or risk to their self or other persons (including, in the case of expectant mothers, unborn children) or property, the carrier can require the passenger to provide a medical certificate that then may be assessed by the carrier’s own medical officer as a condition of the passenger’s acceptance for subsequent travel. The carrier may refuse transportation to the person posing such hazard or risk.

**Note:** Pregnant passengers:

(A) An expectant mother with a complication-free pregnancy can travel on the carrier’s flights up to the 36th week of pregnancy or up to four weeks before the expected due date without a medical certificate.

(B) An expectant mother who is in or beyond the 36th week of pregnancy must present a medical certificate, dated within 72 hours of the scheduled time of departure. The certificate must state that the physician has examined the patient and found them to be physically fit for travel by air and the certificate must state the estimated date of birth.

(g) **Failure to provide a suitable escort**

When the passenger requires an escort due to a mental health condition and is under care of a psychiatric institution or in the custody of law enforcement personnel or other responsible authority and the necessary arrangements have not been made with the carrier in advance of the departure of the flight.

However, the carrier will accept escorted passengers under the following conditions when the passenger has a mental health condition and is under care of a psychiatric institution or in the custody of law enforcement personnel or other responsible authority:

(i) Medical authority furnishes assurance, in writing, that an escorted person with a mental health condition can be transported safely.

(iii) Request for carriage is made at least 48 hours before scheduled departure.

(iv) Acceptance is applicable to transportation on flights marketed and operated by Harbour Air LTD. only.

(v) The escort must accompany the escorted passenger at all times.

(vi) Passenger in custody of law enforcement personnel or other responsible authority must be manacled.

(C) Passenger’s conduct – refusal to transport – prohibited conduct and sanctions

(1) Prohibited conduct

Without limiting the generality of the preceding provisions, the following constitutes prohibited conduct where it may be necessary, in the reasonable discretion of the carrier, to take action to ensure the physical comfort or safety of the person, other passengers, and the carrier’s employees; the safety of the aircraft; the unhindered performance of the crew members in their duty on-board the aircraft; or, safe and adequate flight operations:

(a) The person, in the reasonable judgement of a responsible employee of the carrier, is under the influence of alcohol or drugs (except a patient under medical care).

(b) The person’s conduct, or condition is or has been known to be abusive, offensive, threatening, intimidating, violent or otherwise disorderly, and, in the reasonable judgement of a responsible employee of the carrier, there is a possibility that the person would cause disruption or serious impairment to the physical comfort or safety of other passengers or carrier’s employees, interfere with a crew member in the performance of their duties, or otherwise jeopardize safe and adequate flight operations.

(c) The person’s conduct involves any hazard or risk to their self or other persons (including travel involving pregnant passengers or unborn children) or to property.
(d) The person fails to observe the instructions of the aircraft crew, including instructions to stop any prohibited conduct.

(e) The person is unable or unwilling to sit in their assigned seat with the seat belt fastened.

(f) The person smokes or attempts to smoke in the aircraft.

(k) The person has resisted or may reasonably be believed to be capable of resisting escorts.

(2) **Carrier response to prohibited conduct**

Where, in the exercise of its reasonable discretion, the carrier decides that the passenger has engaged in prohibited conduct described above, the carrier may impose any combination of the following sanctions:

(a) Removal of the passenger at any point.

(b) **Probation:** At any time, the carrier may stipulate that the passenger is to follow certain probationary conditions, such as to not engage in prohibited conduct, in order for the carrier to provide transport to the passenger. Such probationary conditions may be imposed for any length of time which, in the exercise of the carrier’s reasonable discretion, is necessary to ensure the passenger continues to avoid prohibited conduct.

(c) **Refusal to transport the passenger:** The length of this refusal to transport may range from a one-time refusal to a longer period determined at the reasonable discretion of the carrier in light of the circumstances. Such refusal will be for a period appropriate to the nature of the prohibited conduct and until the carrier is satisfied that the passenger no longer constitutes a threat to the
safety of other passengers, crew or the aircraft or to the comfort of other passengers or crew; the unhindered performance of the crew members in their duty on-board the aircraft; or safe and adequate flight operations.

(d) The following conduct will automatically result in a refusal to transport:

(i) The person continues to interfere with the performance of a crew member’s duties despite verbal warnings by the crew to stop such behaviour.

(ii) The person injures a crew member or other passenger or subjects a crew member or other passenger to a credible threat of injury.

(iii) The person displays conduct that requires an unscheduled landing and/or the use of restraints such as ties and handcuffs.

(iv) The person repeats a prohibited conduct after receiving a notice of probation as mentioned in (b) above.

These remedies are without prejudice to the carrier’s other rights and recourses, namely to seek recovery of any damage resulting from the prohibited conduct or as otherwise provided in the carrier’s tariffs, including recourses provided in the carrier’s frequent flyer program or the filing of criminal or statutory charges.

(D) Recourse of the passenger/limitation of liability

(1) In case of refusal to transport a passenger on a specific flight or removal of a passenger en route for any reason specified in the foregoing paragraphs, the carrier

(2) Notwithstanding (1) above, passengers will be entitled to all other additional rights they may have under this tariff or elsewhere or any legal rights that international passengers may have pursuant to international conventions (e.g., the Warsaw Convention or the Montreal Convention) and related treaties.

(3) A person who is refused carriage for a period of time or to whom a probation notice is served may provide to the carrier, in writing, the reasons why they believe they no longer pose a threat to the safety or comfort of passengers or crew, or to the safety of the aircraft. Such
document may be sent to the address provided in the refusal to carry notice or the notice of probation.

(4) The carrier will respond to the passenger within a reasonable period of time providing carrier’s assessment as to whether it remains necessary to continue the ban or maintain the probation period.
Rule 115: Tickets

(A) General

(1) A ticket will not be issued and the carrier will not carry the passenger unless the passenger has paid the applicable fare or has complied with all credit arrangements.

(2) Before boarding, the passenger must present the carrier with proof that he/she has been issued a valid ticket for the flight. Such proof must be in the form of an itinerary/receipt, a record locator or reservation number, or boarding pass and the passenger must provide the carrier with positive identification to be entitled to transportation. The ticket will give the passenger the right to transportation only between the points of origin and destination, and on the dates, times and via the routing shown on the ticket.

(3) Flight coupons will be honoured only in the order, in which they are displayed on the passenger’s ticket and stored in the carrier’s database.

(4) The ticket remains at all times the property of the carrier which issued the ticket.

(5) The carrier does not permit the passenger to hold more than one confirmed reservation/ticket on the same departure flight/origin and destination for the same travel date.

(B) Validity for Carriage

(1) General: When validated, the ticket is good for carriage from the airport of departure to the airport of destination via the route shown on the ticket, for the applicable class of service and is valid for the period of time referred to in 2 below. The passenger will be accepted for carriage on the date and flight segments for which a seat has been reserved. When flight segments are issued on an “open ticket” basis (see (G) below), a seat will be reserved only when the passenger makes a reservation request with the carrier. The carrier’s agreement to accept a reservation request is subject to the availability of space. The place and date of issue are then indicated on the ticket.

(2) Period of Validity: Generally, the period of validity for transportation will be one year from the date on which transportation commences at the point of origin designated on the original ticket, or, if no portion of the ticket is used, one year from the date of issuance of the original ticket. However, certain fares may have different periods of validity. If this is the case, the specific rules associated with the fare will take precedence.
(3) **Computation of the ticket validity:** When computing the ticket validity i.e., the minimum/maximum stays and any other calendar periods set out in the ticket, the first day to be counted will be the day following the date that transportation commenced or that the ticket was issued.

(4) **Expiration of validity:** Tickets expire at midnight on the last day of validity based on where the ticket was issued.

(C) **Extension of Ticket Validity**

(1) **Carrier’s Operations:** If a passenger is prevented from travelling within the period of validity of his/her ticket because the carrier:

   (a) Cancels the flight upon which the passenger holds confirmed space;

   (b) Omits a scheduled stop, provided this is the passenger’s place of departure, place of destination, or place of stopover;

   (c) Fails to operate a flight reasonably according to schedule;

   (d) Causes the passenger to miss a connection;

   (e) Substitutes a different class of service;

   (f) Is unable to provide previously confirmed space;

   the carrier will, without collecting any additional fare, extend the validity of the passenger’s ticket until the passenger can travel on the first flight of the carrier, in the class of service which the passenger’s fare was paid, and for which space is available. Validity can only be extended up to 30 days.

(2) **Medical Reason:** If the passenger is unable to commence travel due to medical reasons, the carrier will extend the period of validity beyond the original validity expiry date for a maximum of three months. A ticket can only be extended once and the extension must be requested within 30 days prior to the expiry date of the original ticket validity. The medical reason must be certified in writing by a physician specifying that the passenger is prevented from commencing his journey before his/her original ticket expires.

(D) **Waiver Minimum/Maximum Stay Provision**

(1) The Carrier does not require a minimum/maximum stay.
(E) **Upgrading (Changing from a Lower to a Higher Fare Ticket)**

(1) Before travel commences, a passenger may upgrade to a fare of higher value to travel to any of the carrier’s destinations in the world provided travel is in accordance with 3 below.

(2) Penalties and additional charges are waived when a fare is upgraded in accordance with 1 above.

(3) Passengers upgrading in accordance with 1 above, may do so provided:

   (a) Ticketing and advance purchase requirements of the new fare have been met; and

   (b) Travel is via Harbour Air Ltd. and

   (c) Reservations have been booked in the appropriate class of service of the new fare; and

   (d) The difference in fares has been paid.

(4) After departure, the passenger holding a ticket for return, circle trip or open jaw travel may upgrade the total fare in accordance with the rules of the fare paid.

(5) The original fare paid (including all additional charges) will be used as a full credit towards the fare for the upgraded journey.

(6) In the event travel at the new fare is subsequently changed and/or cancelled, the higher fee(s) for either the originally purchased or new fare shall be assessed.

(7) **Exception:** For travel which has been upgraded to a fare type which has no associated fees, changes may be made without additional charge; however, the cancellation fee from the original fare will be applied to the new upgraded fare.

(F) **Flights in Sequence**

(1) Flights appearing on the passenger’s itinerary receipt and in the carrier’s database must be used in sequence from the place of departure as shown on the passenger’s ticket. Each flight coupon will be accepted for transportation in the class of service on the date and flight for which space has been reserved.

(G) **Open Tickets**

(1) If a ticket or a flight coupon is issued without a specific seat on a flight being reserved in the carrier’s reservation system, i.e. left open, space may be later
reserved subject to the tariff conditions of the purchased fare and provided space is available on the flight requested.

(H) Non-transferability

(1) A ticket is not transferable.

Note: The carrier will not be liable to the person named on the ticket if the ticket is either presented for transportation or for a refund by another person. The carrier will refuse transportation to any person other than the person named on the ticket.

(K) Lost Tickets

(1) Harbour Air Ltd. does not issue paper tickets.
Part IV

After Travel
Part IV – After Travel

Rule 121: Limitations of Liability

Applicable to International Transportation to and from Canada

(A) Successive Carriers

Transportation to be performed under one ticket or under a ticket issued with any conjunction ticket by several successive carriers will be regarded as single operation.

(B) Laws and Provisions Applicable

Liability in the case of destruction or loss of, damage to, or delay of checked and unchecked baggage.

(1) The carrier is liable for damages sustained in the case of destruction or loss of, damage to, or delay of checked and unchecked baggage, as provided in the following paragraphs:

(a) Except as provided below, the liability of the carrier is limited to 1,288 Special Drawing Rights (approximately $2,350 CAD) for each passenger in the case of destruction, loss, damage, or delay of baggage, whether checked or unchecked, under the Warsaw Convention or the Montreal Convention, whichever may apply.

(b) Unless the passenger proves otherwise, unchecked baggage, including personal items, shall be considered to be the property of the passenger in possession of the baggage at the time of embarkation.

(c) The passenger may make a special declaration that their baggage has a higher value than the carrier’s maximum liability. If the passenger does so, then the passenger must make this declaration to the carrier at the time of check-in and, if required by the carrier, shall as per Rule 55(F), Excess Value Declaration Charge, pay the supplementary charge to allow for additional liability coverage in the case of destruction, loss, damage or delay of their checked baggage.
**Note:** This provision is not applicable to a person’s mobility aid. (For tariff provisions related to the carriage of mobility aids, see (3) – (7) below).

**Exception:** The carrier is not liable for the declared amount if it can prove that it is greater than the passenger’s actual interest in delivery at destination.

In the case of transportation under the Warsaw Convention, no supplementary sum shall apply unless the declared amount exceeds 19 Special Drawing Rights per kilogram of the total recorded weight of the checked baggage at the time the baggage is handed to the carrier.

(d) In the case of unchecked baggage, the carrier is liable only to the extent the damage resulted from its fault, or that of its servants or agents.

(e) The carrier is liable for the damage sustained in case of destruction or loss of, or damage to, checked baggage upon condition only that the event which caused the destruction, loss or damage took place on-board the aircraft or during any period within which the checked baggage was in the charge of the carrier. However, the carrier is not liable if and to the extent that the damage resulted from the inherent defect, quality or vice of the baggage. Further, the carrier’s liability for the destruction, loss, damage or delay of baggage is subject to the terms, limitations and defences set forth in the Warsaw Convention and the Montreal Convention, whichever may apply, in addition to any limitation or defence recognized by a Court with proper jurisdiction over claim.

(f) The carrier reserves all defences and limitations under the Warsaw Convention and the Montreal Convention, whichever may apply to such claims including, but not limited to, the defence of Article 20 of the Warsaw Convention and Article 19 of the Montreal Convention, and the exoneration defence of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention, except that the carrier shall not invoke Article 22(2) and 22(3) of the Warsaw Convention in a manner inconsistent with paragraph (1) above. The limits of liability shall not apply in cases described in Article 25 of the Warsaw Convention or Article 22(5) of the Montreal Convention, whichever may apply.
Refund of baggage fees

(2) Carrier will refund to the passenger any fees paid for the transportation of the baggage that was delayed, damaged or lost.

Mobility aids

(a) The air carrier will immediately provide a suitable temporary replacement without charge;

(b) If a damaged aid can be repaired, in addition to (a) above, the air carrier will arrange, at its expense, for the prompt and adequate repair of the aid and return it to the passenger as soon as possible;

(c) If a damaged aid cannot be repaired or is lost and cannot be located within 96 hours following the passenger’s arrival, the carrier will in addition to (a) above:

(v) replace it with an equivalent aid satisfactory to the passenger, or

(vi) reimburse the passenger for the replacement cost of the aid, subject to the application of the Warsaw or Montreal Convention, whichever is applicable, and any special declaration of interest completed and made with the carrier by the passenger with a disability.

Service dogs, other service animals and emotional support animals

(1) If a person with a disability who uses a service dog, other service animal, or emotional support animal makes a reservation for transportation on an international service, the air carrier will advise the person of the option to make a special declaration of interest, under Article 22(2) of the Montreal Convention or under Article 22(2) of the Warsaw Convention, that sets out the monetary value of the animal.

(2) In respect of limits of liability for service dogs, other service animals and emotional support animals in this rule, pursuant to Article 25 of the Montreal Convention or under Article 22(1) of the Warsaw Convention,
the limits of liability shall be in accordance with Article 22 (2) of the Montreal Convention.

(3) Should injury or death of a service dog, other service animal, or emotional support animal result from the fault or negligence of the carrier, the carrier will undertake to provide expeditiously, and at its own expense, medical care for or replacement of the service dog, other service animal or emotional support animal.

**Liability in the case of passenger delay**

(1) The carrier shall be liable for damage occasioned by delay in the carriage of passengers by air, as provided in the following paragraphs:

   (a) The carrier shall not be liable if it proves that it and its servants and agents took all measures that could reasonably be required to avoid the damage, or that it was impossible for it or them to take such measures.

   (b) Damages occasioned by delay are subject to the terms, limitations and defences set forth in the Warsaw Convention and the Montreal Convention, whichever may apply, in addition to any limitation or defence recognized by a Court with proper jurisdiction over a claim.

   (c) The carrier reserves all defences and limitations available under the Warsaw Convention or the Montreal Convention, whichever may apply to claims for damage occasioned by delay, including, but not limited to, the exoneration defence of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention. Under the Montreal Convention, the liability of the carrier for damage caused by delay is limited to 5,346 Special Drawing Rights per passenger. The limits of liability shall not apply in cases described in Article 25 of the Warsaw Convention or Article 22(5) of the Montreal Convention, whichever may apply.

**Liability in the case of death or bodily injury of a passenger**

(1) The carrier shall be liable under Article 17 of the Warsaw Convention or the Montreal Convention, whichever may apply, for recoverable compensatory damages sustained in the case of death or bodily injury of a passenger, as provided in the following paragraphs:

   (a) The carrier shall not be able to exclude or limit its liability for damages not exceeding 128,821 Special Drawing Rights for each passenger.
(b) The carrier shall not be liable for damages to the extent that they exceed 128,821 Special Drawing Rights for each passenger if the carrier proves that:

(vii) Such damage was not due to the negligence or other wrongful act or omission of the carrier or its servants or agents; or

(viii) Such damage was solely due to the negligence or other wrongful act or omission of a third party.

(c) The carrier reserves all other defences and limitations available under the *Warsaw Convention* or the *Montreal Convention*, whichever may apply, to such claims including, but not limited to, the exoneration defence of Article 21 of the Warsaw Convention and Article 20 of the Montreal Convention, except that the carrier shall not invoke Articles 20 and 22(1) of the Warsaw Convention in a manner inconsistent with paragraphs (1) and (2) above.

(d) With respect to third parties, the carrier reserves all rights of recourse against any other person, including, without limitation, rights of contribution and indemnity.

The carrier agrees that, subject to applicable law, recoverable compensatory damages for such claims may be determined by reference to the laws of the country of the domicile or country of permanent residence of the passenger.

(2) In cases of bodily injury or death, the carrier shall make an advance payment where the carrier determines it is necessary to meet the immediate economic needs of, and hardship suffered by, a passenger as provided in the following paragraphs:

(e) Unless a dispute arises over the identity of the person to whom an advance payment shall be made, the carrier shall, without delay, make the advance payment to the passenger in an amount or amounts determined by the carrier in its sole discretion. In the event of death of a passenger, the amount of the advance payment shall not be less than 16,000 Special Drawing Rights, which shall be paid to a representative of the passenger’s next of kin eligible to receive such advance payment as determined by the carrier in its sole discretion.

(f) The carrier shall make the advance payment as an advance against the carrier’s liability under the *Warsaw Convention*, or the
Montreal Convention, whichever may apply. An advance payment shall not constitute recognition of liability. An advance payment shall be offset against, or deducted from the payment of, any settlement or judgment with respect to any claim for compensation on behalf of the passenger.

The carrier, in making an advance payment, does not waive any rights, defences, or limitations available under the Warsaw Convention, or the Montreal Convention, whichever may apply, to any claim, nor shall acceptance of an advance payment constitute a release of any claim, whatsoever, by any person.

(g) The carrier, in making an advance payment, preserves its right to seek contribution or indemnity from any other person for such payment, which shall not be deemed to be a voluntary contribution or contractual payment on the part of the carrier.

(h) The carrier may recover an advance payment from any person where it is proven that the carrier is not liable for any damage sustained by the passenger, or where it is proven that the person was not entitled to receive the payment, or where and to the extent that it is proven that the person who received the advance payment caused, or contributed to, the damage.

(C) Time limitations on claims and actions

(1) Subject to applicable laws, an action for damages must be brought within two years from the date of arrival at the destination, or from the date on which the aircraft ought to have arrived, or from the date on which the carriage stopped.

(2) A complaint to the carrier must be made in writing to the carrier within seven days from the date of receipt in the case of damage to baggage, and within 21 days from the date on which the baggage has been placed at the passenger’s disposal, in the case of delay.

(3) Claims may be subject to proof of amount of loss; passengers may be asked to substantiate their claims.

(D) Notices

(1) The carrier will provide each passenger on a domestic itinerary with the following written notice:
Rule 125: Refunds

3. If, at the time of ticket purchase, the purchaser designates another person to whom the refund shall be made, then the refund will be made to the person so designated. To do so, the passenger must contact the carrier directly.

4. Acceptance of a refund by the passenger will release the carrier from further liability.

5. In any instance where refunds are appropriate, the carrier will process requests in a timely manner and refund the fare in the original form of payment. The carrier will process refund requests within 30 business days for credit card purchases and within 30 business days for cash or cheque transactions.

However, Canadian dollar refunds or refunds in another currency, if possible, may be made at the request of the passenger, provided a refund in such currency is not prohibited by local government foreign exchange control regulations.

(C) Voluntary Refunds

(1) Voluntary refunds will be based on the applicable fare at the time of ticket issuance, and the refund will be made in accordance with any restrictions contained in the applicable fare rule.

(2) Voluntary refunds will be made only by the carrier which originally issued the ticket or its authorized agent.

(3) If no portion of a ticket has been used, the refund will be full amount of the fare paid less any cancellation fee and/or service charge.

(4) If a portion of the ticket has been used, the refund will be an amount equal to the difference between the fare paid and the applicable fare for travel between the points for which the ticket has been used, less any cancellation fee and/or service charge based on the fare purchased by the passenger.

(5) Voluntary refund of tickets shall be made in the currency used to issue the ticket and in the country where the ticket was purchased, whenever possible. However, Canadian dollar refunds or refunds in the currency of the country where the voluntary refund is requested may be made at the request of the passenger provided a refund in such currency is not prohibited by local government foreign exchange control regulations.

(6) Non-refundable tickets can be exchanged for a future ticket for up to one year from the ticket issue date as long as the reservation is cancelled on or before the first travel date on the ticket.
(D) Time Limit for Requesting a Refund

1. The passenger has one month after the expiration date of the ticket to request a refund.

2. For a service charge of $50 CAD, a partially used ticket may be refunded more than one month after the expiry date shown on the ticket but not later than one year from the date of issuance of the original ticket.

3. For a service charge of $50 CAD, an unused ticket may be refunded more than one month after the expiry date shown on the ticket but not later than two years from the date of issuance of the original ticket.

(E) Refunds in the Case of Death

When transportation is cancelled as a result of the death of the passenger, a member of the immediate family or travelling companion, the refund will apply as follows:

1. Refunds in the case of death are not subject to any restrictions contained in the applicable fare rules.

2. If no portion of a ticket has been used, the amount of refund will be equal to the fare and charges paid.

3. If a portion of the ticket has been used, the refund will be equal to the difference between the fare paid and the applicable fare for travel between the points for which the ticket has been used and will not be subject to any cancellation fee and/or service charge.

4. Refunds will only be made upon presentation of the unused coupon(s) and death certificate, or a copy duly executed by the competent authorities (i.e. those designated to issue a death certificate by the applicable laws of the country concerned), in the country in which the death occurred.

5. In the case of death of the passenger, the refund will be made to the estate of the passenger.

(F) Jury Duty

1. In the event the passenger is called to jury duty or subpoenaed, a full refund will apply upon presentation of jury summons or subpoena. No other document will be accepted.
(G) Refusal to Refund

(1) The carrier may refuse to refund the passenger’s ticket if that ticket is presented for refund after its validity has expired.

(2) For tickets involving international travel, certain countries limit the amount of time the passenger may stay in a particular country without a visa or other official government documentation granting permission to stay for an extended period of time. Accordingly, the refund of unused coupon(s) may be refused, unless the passenger is able to prove that he/she has received government permission to remain in the country or is departing the country on another carrier or by other means of transport.
