Rule 54: Interline Baggage Acceptance

Definitions

"Airline Designator Code" means an identification code comprised of two-characters which is used for commercial and traffic purposes such as reservations, schedules, timetables, ticketing, tariffs and airport display systems. Airline designators are assigned by IATA. When this code appears on a ticket, it reflects the carrier that is marketing the flight, which might be different from the carrier operating the flight.

"Baggage Rules" means the conditions associated with the acceptance of baggage, services incidental to the transportation of baggage, allowances and all related charges. For example, baggage rules may address the following topics:

- The maximum weight and dimensions of passenger bags, if applicable, both checked and unchecked;
- The number of checked and unchecked passenger bags that can be transported and the applicable charges;
- Excess and oversized baggage charges;
- Charges related to check-in, collection and delivery of checked baggage;
- Acceptance of and charges related to special items, e.g. surf boards, pets, bicycles;
- Baggage provisions related to prohibited or unacceptable items, including embargoes;
- Terms or conditions that would alter or impact the baggage allowances and charges applicable to passengers (e.g. frequent flyer status, early check-in, pre-purchasing baggage allowances with a particular credit card); and,
- Other rules governing treatment of baggage at stopover points, including passengers subject to special baggage allowances or charges.

"Down Line Carrier" means any carrier, other than the selecting carrier, that is identified as providing interline transportation to the passenger by virtue of the passenger's ticket.

"Interline Agreement" means an agreement between two or more carriers to co-ordinate the transportation of passengers and their baggage from the flight of one air carrier to the flight of another air carrier (through to the next point of stopover).

"Interline Itinerary" means all flights reflected on a single ticket involving multiple air carriers. Only travel on a single ticket is subject to the Agency's [Decision No. 144-A-2014](#) related to [Interline Baggage Rules for Canada](#) provided the origin or the ultimate ticketed destination is a point in Canada.

"Interline Travel" means travel involving multiple air carriers listed on a single ticket that is purchased via a single transaction.

"Marketing Carrier" means the carrier that sells flights under its code.

"Most Significant Carrier (MSC)" is determined by a methodology, established by IATA (Resolution 302), which establishes, for each portion of a passenger's itinerary where baggage is checked through to a new stopover point, which carrier will be performing the most significant part of the service. For travelers under the Resolution 302 system, the baggage rules of the MSC will apply. For complex itineraries involving multiple checked baggage points, there may be more than one MSC, resulting in the application of differing baggage rules through an itinerary.

"Most Significant Carrier (MSC) – IATA Resolution 302 as conditioned by the Agency" means that in this instance, the MSC is determined by applying IATA Resolution 302 methodology as conditioned by the Agency in its [Decision No. 144-A-2014](#). The Agency's reservation has stipulated that only a single set of baggage rules may apply to any given interline itinerary. The aim of the Agency's reservation is to allow the selecting carrier to use the MSC methodology to determine which carrier's baggage rules apply to an international interline itinerary to or from Canada, while reinforcing the role of tariffs in the determination of which carrier's rules apply.

"Operating Carrier" means the carrier that operates the actual flight.

"Participating Carrier(s)" includes both the selecting carrier and down line carriers who have been identified as providing interline transportation to the passenger by virtue of the passenger's ticket.

"Selected Carrier" means the carrier whose baggage rules apply to the entire interline itinerary.

"Selecting Carrier" means the carrier whose designator code is identified on the first flight segment of the passenger's ticket at the beginning of an interline itinerary issued on a single ticket whose origin or ultimate destination is in Canada.

"Single Ticket" is a document that permits travel from origin to destination. It may include interline/code-share and intra-line segments. It may also include end-to-end combinations (i.e., stand alone fares that can be bought separately but combined together to form one price).

"Summary Page at the End of an Online Purchase" is a page on a carrier's Web site which summarizes the details of a ticket purchase transaction just after the passenger has agreed to purchase the ticket from the carrier and has provided a form of payment.

"Ultimate Ticketed Destination" means in situations where a passenger's origin is a non-Canadian point and the itinerary includes at least one stop in Canada, as well as at least one stop outside of Canada. If the stop in Canada is the farthest checked point and the stop is more than 24 hours, the Agency would consider the ultimate ticketed destination to be Canada.

(A) Applicability

- (1) This Rule is applicable to all interline itineraries issued on a single ticket whose origin or ultimate ticketed destination is in Canada.
- (2) It establishes how the carrier will determine which carrier's baggage rules apply to any passenger's entire interline itinerary.

(B) General

- (1) For the purposes of interline baggage acceptance:
 - (a) the carrier whose designator code is identified on the first segment of the passenger's interline ticket will be known as the selecting carrier.
 - (b) any carrier who is identified as providing interline transportation to the passenger by virtue of the passenger's ticket will be known as a participating carrier.

(C) Baggage Rule Determination by Selecting Carrier

Checked Baggage

- (1) The selecting carrier will:
 - (a) Select and apply its own baggage rules as set out in its tariff to the entire interline itinerary.

OR

 - (b) Select the MSC, as determined by IATA Resolution 302 as conditioned by the Agency, in order for that carrier's baggage rules, as established in its tariff, to apply to the entire interline itinerary.

- (2) The carrier identified by means of (a) or (b) will be known as the selected carrier.

Carry-on Baggage

- (3) Each operating carrier's carry-on baggage allowances will apply to each flight segment in an interline itinerary. Notwithstanding, the carry-on baggage charges that will apply to the entire interline itinerary will be those of the selected carrier.

(D) Baggage Rule Application by Participating Carrier

- (1) Where the carrier is not the selected carrier on an interline itinerary but is a participating carrier that is providing transportation to the passenger based on the ticket issued, the carrier will apply as its own the baggage rules of the selected carrier throughout the interline itinerary.

(E) Disclosure of Baggage Rules

Summary Page at the End of an Online Purchase and E-Ticket Disclosure

- (1) For baggage rules provisions related to a passenger's 1st and 2nd checked bag and the passenger's carry-on baggage (i.e., the passenger's "standard" baggage allowance), when the carrier sells and issues a ticket for an interline itinerary, it will disclose to the passenger on any summary page at the end of an online purchase and on the passenger's itinerary/receipt and e-ticket at the time of ticketing the baggage information relevant to the passenger itinerary as set out in paragraph (2) below. The disclosed information will reflect the baggage rules of the selected carrier.
- (2) The carrier will disclose the following information:
 - (a) name of the carrier whose baggage rules apply;
 - (b) passenger's free baggage allowance and/or applicable fees;
 - (c) size and weight limits of the bags, if applicable;
 - (d) terms or conditions that would alter or impact a passenger's standard baggage allowances and charges (e.g. frequent flyer status, early check-in, pre-purchasing baggage allowances with a particular credit card);
 - (e) existence of any embargoes that may be applicable to the passenger's itinerary; and,

- (f) application of baggage allowances and charges (i.e., whether they are applied once per direction or if they are applicable at each stopover point).
- (3) The carrier will provide this information in text format on the passenger's e-ticket confirmation. Any fee information provided for carry-on bags and the first and second checked bag will be expressed as specific charges (i.e., not a range).

Web Site Disclosure

- (4) The carrier will disclose on its Web site, in a convenient and prominent location, a complete and comprehensive summary of all of the carrier's own baggage rules, including information concerning:
 - (a) The maximum weight and dimensions of passenger bags, if applicable, both checked and unchecked;
 - (b) The number of checked and unchecked passenger bags that can be transported and the applicable charges;
 - (c) Excess and oversized baggage charges;
 - (d) Charges related to check in, collection and delivery of checked baggage;
 - (e) Acceptance of and charges related to special items, e.g. surf boards, pets, bicycles;
 - (f) Baggage provisions related to prohibited or unacceptable items, including embargoes;
 - (g) Terms or conditions that would alter or impact the baggage allowances and charges applicable to passengers (e.g. frequent flyer status, early check in, pre-purchasing baggage allowances with a particular credit card); and,
 - (h) Other rules governing treatment of baggage at stopover points, including passengers subject to special baggage allowances or charges.

(A) Applicability

- (1) A refusal to transport a passenger only occurs in situations when the carrier operates a flight on which the passenger had a confirmed reservation but that specific passenger is not permitted to continue their journey on that flight due to any reasons specified in the paragraphs below. Refusal to transport can occur at the start of any journey or while the passenger is en route to their destination.
- (2) Flight delay, flight cancellation and denial of boarding do not constitute a situation of refusal to transport.

(B) Refusal to Transport – Removal of Passenger

- (1) The carrier will refuse to transport, or will remove any passenger at any point, for any of the following reasons:

(a) Government Requests and Regulations and Force Majeure

Whenever it is necessary or advisable to:

- (i) comply with any government regulation;

- (iii) address force majeure.

(b) Search of Passenger and Property

When the passenger refuses to permit a search of their person or property for explosives or for concealed, prohibited, deadly or dangerous weapon(s) or article(s).

(c) Proof of Identity/Age

When the passenger refuses a request to produce government-issued identification to demonstrate proof of identity.

(i) **Applicable Only to Travel within Canada:**

Note: The carrier is obliged to screen each passenger by looking at the passenger, and in particular the passenger's entire face, to determine if they appear to be 18 years of age or older.

The carrier is also required to screen each passenger who appears to be 18 years of age or older by comparing the passenger, and in particular the passenger's entire face, against one piece of government-issued photo identification that shows the passenger's name, date of birth and gender; or two pieces (without photo) of government-issued identification at least one of which shows the passenger's name, date of birth and gender.

(ii) **Applicable Only to Travel from Canada:**

Note: The carrier is required to screen each passenger by looking at the passenger, and in particular the passenger's entire face, to determine if they appear to be 18 years of age or older.

Note: If the passenger is accompanied by a support person and the passenger is refused transport, then the support person will also be refused transport and the two will be removed from the aircraft together.

- (ii) When the passenger has a contagious disease.
- (iii) When the passenger has an offensive odour.

Medical Clearance

(iv) When the carrier determines, in good faith and using its reasonable discretion, that a passenger's medical or physical condition involves an unusual hazard or risk to their self or other persons (including, in the case of expectant mothers, unborn children) or property, the carrier can require the passenger to provide a medical certificate that then may be assessed by the carrier's own medical officer as a condition of the

passenger's acceptance for subsequent travel. The carrier may refuse transportation to the person posing such hazard or risk.

Note: Pregnant passengers:

- (A) An expectant mother with a complication-free pregnancy can travel on the carrier's flights up to the 36th week of pregnancy or up to four weeks before the expected due date without a medical certificate.

However, the carrier will accept escorted passengers under the following conditions when the passenger has a mental health condition and is under care of a psychiatric institution or in the custody of law enforcement personnel or other responsible authority:

- (b) The person's conduct, or condition is or has been known to be abusive, offensive, threatening, intimidating, violent or otherwise disorderly, and, in the reasonable judgement of a responsible employee of the carrier, there is a possibility that the person would cause disruption or serious impairment to the physical comfort or safety of other passengers or carrier's employees, interfere with a crew member in the performance of their duties, or otherwise jeopardize safe and adequate flight operations.
- (c) The person's conduct involves any hazard or risk to their self or other persons (including travel involving pregnant passengers or unborn children) or to property.
- (d) The person fails to observe the instructions of the aircraft crew, including instructions to stop any prohibited conduct.

(2) Carrier Response to Prohibited Conduct

Where, in the exercise of its reasonable discretion, the carrier decides that the passenger has engaged in prohibited conduct described above, the carrier may impose any combination of the following sanctions:

- (a) Removal of the passenger at any point.
- (b) **Probation:** At any time, the carrier may stipulate that the passenger is to follow certain probationary conditions, such as to not engage in prohibited conduct, in order for the carrier to provide transport to the passenger. Such probationary conditions may be imposed for any length of time which, in the exercise of the carrier's reasonable discretion, is necessary to ensure the passenger continues to avoid prohibited conduct.
- (c) **Refusal to Transport the Passenger:** The length of this refusal to transport may range from a one-time refusal to a longer period determined at the reasonable discretion of the carrier in light of the circumstances. Such refusal will be for a period appropriate to the nature of the prohibited conduct and until the carrier is satisfied that the passenger no longer constitutes a threat to the safety of other passengers, crew or the aircraft or to the comfort of other passengers or crew; the unhindered performance of the crew members in their duty on-board the aircraft; or safe and adequate flight operations.
- (d) The following conduct will automatically result in a refusal to transport:
 - (i) The person continues to interfere with the performance of a crew member's duties despite verbal warnings by the crew to stop such behaviour.
 - (ii) The person injures a crew member or other passenger or subjects a crew member or other passenger to a credible threat of injury.
 - (iii) The person displays conduct that requires an unscheduled landing and/or the use of restraints such as ties and handcuffs.

- (iv) The person repeats a prohibited conduct after receiving a notice of probation as mentioned in (b) above.

These remedies are without prejudice to the carrier's other rights and recourses, namely to seek recovery of any damage resulting from the prohibited conduct or as otherwise provided in the carrier's tariffs, including recourses provided in the carrier's frequent flyer program or the filing of criminal or statutory charges.

(D) Recourse of the Passenger/Limitation of Liability

- (1) In case of refusal to transport a passenger on a specific flight or removal of a passenger en route for any reason specified in the foregoing paragraphs, the carrier's liability will be limited to the recovery of the refund value of the unused portion of the passenger's ticket in accordance with Rule 125(B), Involuntary Refunds.
- (2) Notwithstanding (1) above, passengers will be entitled to all other additional rights they may have under this tariff or elsewhere or any legal rights that international passengers may have pursuant to international conventions (e.g., the [Warsaw Convention](#) or the [Montreal Convention](#)) and related treaties.
- (3) A person who is refused carriage for a period of time or to whom a probation notice is served may provide to the carrier, in writing, the reasons why they believe they no longer pose a threat to the safety or comfort of passengers or crew, or to the safety of the aircraft. Such document may be sent to the address provided in the refusal to carry notice or the notice of probation.
- (4) The carrier will respond to the passenger within a reasonable period of time providing carrier's assessment as to whether it remains necessary to continue the ban or maintain the probation period.

Rule 115: Tickets

(A) General

- (1) A ticket will not be issued and the carrier will not carry the passenger unless the passenger has paid the applicable fare or has complied with all credit arrangements.
- (2) Before boarding, the passenger must present the carrier with proof that they have been issued a valid ticket for the flight. Such proof must be in the form of an itinerary/receipt, a record locator or reservation number, or boarding pass and the passenger must provide the carrier with positive identification to be entitled to transportation. The ticket will give the passenger the right to transportation only between the points of origin and ultimate destination, and on the dates, times and via the routing shown on the ticket.
- (3) Flight coupons will be honoured only in the order in which they are displayed on the passenger's ticket and stored in the carrier's database.
- (4) The ticket remains at all times the property of the carrier which issued the ticket.
- (5) The carrier does not permit the passenger to hold more than one confirmed reservation/ticket on the same departure flight/origin and destination for the same travel date.

(B) Validity for Carriage

- (1) **General:** When validated, the ticket is good for carriage from the airport of departure to the airport of ultimate destination via the route shown on the ticket, for the applicable class of service and is valid for the period of time referred to in (2) below. The passenger will be accepted for carriage on the date and flight segments for which a seat has been reserved. When flight segments are issued on an **"Open Ticket"** basis (see (G) below), a seat will be reserved only when the passenger makes a reservation request with the carrier. The carrier's agreement to accept a reservation request is subject to the availability of space. The place and date of issue are then indicated on the ticket.
- (2) **Period of Validity:** Generally, the period of validity for transportation will be one year from the date on which transportation commences at the point of origin designated on the original ticket, or, if no portion of the ticket is used, one year from the date of issuance of the original ticket. However, certain fares may have

different periods of validity. If this is the case, the specific rules associated with the fare will take precedence.

- (3) **Computation of the Ticket Validity:** When computing the ticket validity i.e., the minimum/maximum stays and any other calendar periods set out in the ticket, the first day to be counted will be the day following the date that transportation commenced or that the ticket was issued.
- (4) **Expiration of Validity:** Tickets expire at midnight on the last day of validity based on where the ticket was issued.

(C) Extension of Ticket Validity

- (1) **Carrier's Operations:** If a passenger is prevented from travelling within the period of validity of their ticket because the carrier:
 - (a) cancels the flight upon which the passenger holds confirmed space;
 - (b) omits a scheduled stop, provided this is the passenger's place of departure, place of ultimate destination, or place of stopover;
 - (c) fails to operate a flight reasonably according to schedule;
 - (d) causes the passenger to miss a connection;
 - (e) substitutes a different class of service; or
 - (f) is unable to provide previously confirmed space;the carrier will, without collecting any additional fare, extend the validity of the passenger's ticket until the passenger can continue their travel on the first flight where space is available. Validity can only be extended up to 30 days.
- (2) **Medical Reason:** If the passenger is unable to commence travel due to medical reasons, the carrier will extend the period of validity beyond the original validity expiry date for a maximum of three months. A ticket can only be extended once and the extension must be requested within 30 days prior to the expiry date of the original ticket validity. The medical reason must be certified in writing by a physician specifying that the passenger is prevented from commencing their journey before their original ticket expires.

(D) Waiver Minimum/Maximum Stay Provision

Carrier does not have minimum/maximum stay provisions.

(E) Flights in Sequence

- (1) Flights appearing on the passenger's itinerary/receipt and in the carrier's database must be used in sequence from the place of departure as shown on the passenger's ticket. Each flight coupon will be accepted for transportation in the class of service on the date and flight for which space has been reserved.

(F) Open Tickets

- (1) If a ticket or a flight coupon is issued without a specific seat on a flight being reserved in the carrier's reservation system, i.e. left open, space may be later reserved subject to the tariff conditions of the purchased fare and provided space is available on the flight requested.

(G) Transferability/Non-Transferability

- (1) Tickets are not transferable.

(H) Lost Tickets

- (1) Harbour Air Ltd. does not issue paper tickets.

However, the carrier is not liable if and to the extent that the damage resulted from the inherent defect, quality or vice of the baggage. The carrier agrees that, subject to applicable law, recoverable compensatory damages for such claims may be determined by reference to the laws of the country of the domicile or country of permanent residence of the passenger.

- (9) In cases of bodily injury or death, the carrier shall make an advance payment where the carrier determines it is necessary to meet the immediate economic needs of, and hardship suffered by, a passenger as provided in the following paragraphs:

 - (b) The carrier shall make the advance payment as an advance against the carrier's liability under the [Warsaw Convention](#), or the [Montreal Convention](#), whichever may apply. An advance payment shall not constitute recognition of liability. An advance payment shall be offset against, or deducted from the payment of, any settlement or judgment with respect to any claim for compensation on behalf of the passenger.
 - (c) The carrier, in making an advance payment, does not waive any rights, defences, or limitations available under the [Warsaw Convention](#), or the [Montreal Convention](#), whichever may apply, to any claim, nor shall acceptance of an advance payment constitute a release of any claim, whatsoever, by any person.
 - (d) The carrier, in making an advance payment, preserves its right to seek contribution or indemnity from any other person for such payment, which shall not be deemed to be a voluntary contribution or contractual payment on the part of the carrier.
- (10) The carrier may recover an advance payment from any person where it is proven that the carrier is not liable for any damage sustained by the passenger, or where it is proven that the person was not entitled to receive the payment, or where and to the extent that it is proven that the person who received the advance payment caused, or contributed to, the damage.
