- Understanding of metallic structures and metal processes and properties
- Knowledge of materials and common practices/processes
- Ability to lead and mentor structures apprentices
- Experience with composite repairs an asset

ABOUT HARBOUR AIR AEROSPACE SERVICES LTD.

Our Approved Maintenance Organization (AMO) was created almost 30 years ago and most recently went by the name Aeroflite International Services Ltd. It is recognized around the world as one of the leading authorities of the DeHavilland product. Department wide, our people have been working on and around aircraft for close to a millennium. We are extraordinarily proud of our Person Responsible for Maintenance (PRM) who was honoured in Wings magazine as one of the ‘Top 20 under 40’.

ABOUT HARBOUR AIR GROUP

Launched in 1982, Harbour Air is North America’s largest seaplane airline. With around 500 employees, it flies more than half a million passengers annually both within BC and to/from Seattle, USA.

Our people are the backbone of our organization, and we are committed to creating a culture that inspires one another to achieve extraordinary success. We have regularly been honored as the recipient of numerous awards including BC’s Top 55 Employers, and Canada’s Most Admired Corporate Cultures.

APPLY NOW: Email your resume to jobs@aerospaceservices.ca quoting 23-80 Structures AME, and indicate what site you are applying from.

DEADLINE: Open until filled

We thank all applicants for their interest, however only those candidates selected for interviews will be contacted.

Harbour Air is an equal opportunity employer, we are committed to Diversity and Inclusion and value a diverse workforce. Together, we continue to build an inclusive culture that encourages, supports, and celebrates the diverse voices of our employees. It fuels our innovation and connects us closer to our customers and communities we serve.

Harbour Air is committed to developing a barrier-free recruitment process and work environment. Accommodations in relation to the job selection process are available upon request. If you require any accommodation, please email jobs@aerospaceservices.ca and we'll work with you to meet your accessibility needs.
